

On the Occasion of
World Snake Day

One-Day National Webinar

on

**“Venomous Snakes and Use of Anti-Snake
Venom (ASV) in Veterinary Practice
Capacity-Building Under One Health Framework”**

Date: July 16, 2026 (Thursday)

Time: 10:00 AM to 2:00 PM

Mode:
Online

Jointly Organized by

Department of Zoonosis, Haffkine Institute for Training, Research and Testing
Medical Education and Drugs Department, Government of Maharashtra,
Parel Mumbai -40012

In collaboration with

Department of Veterinary Medicine, Mumbai Veterinary College
Maharashtra Animal and Fishery Sciences University Parel, Mumbai-40012

Social Media Partner:

Alembic Pharmaceuticals (Pet. Division)
Mumbai.

About The Seminar:

Snakebite in animals is a significant yet often under-recognized challenge in veterinary practice. This webinar aims to build capacity under the One Health framework by bringing together experts to discuss epidemiology, identification, clinical management and the rational use of Anti-Snake Venom (ASV) in animals.

Date: 16 July 2026 (Thursday)

Time: 10.00 AM to 2.00 PM

Mode: Online

Target Group:

Veterinarians, Animal Husbandry Officers,
Faculty, Researchers & PG Students

Key Takeaways:

- Understand the epidemiology of snakebite in animals
- Identify venomous snakes and types of envenomation
- Learn clinical signs and pathophysiology
- Rational use of ASV in veterinary practice
- Field management and case studies

Registration: Free of Cost

Last Date: 15/07/2026

E-Certificates will be Provided
